About this Songbook

Those who play guitar often want to sing -- and those who sing often want to play guitar. For beginners however, "putting it all together" can be an overwhelming challenge. That's why we provide this simple approach where song lyrics directly line up with simple strumming patterns, making it super easy to sing while playing!

All songs use common "open position" chords which are easy to learn and widely used on the guitar

Chords Symbols are labeled above the staff, making it easy to follow chord progressions while playing songs

Standard Notation

Guitar Tablature Notation

The "beat" is labeled under each bar of music to help you follow the basic strumming pattern

Song lyrics directly line up with simple strumming patterns, making it easy to sing while playing

The **vocal melody** is shown in standard notation and aligned with song lyrics.

Chords are shown as chord symbols and in Guitar Tablature notation.

You can learn new chords shapes and fingerings using **Chord Fingering Diagrams** in the Appendix (*page 127*).

About Guitar Tablature

Guitar Tablature (TAB) visually matches the layout of the instrument, using six horizontal lines to represent the guitar's six strings. Along with chord diagrams, TAB is one of the primary ways guitar players read music, so understanding TAB is essential for learning the guitar.

With guitar TAB, the top line represents the thinnest string, and the bottom line represents the thickest. TAB shows which frets to press and which strings to strum:

G

T	0	3	0
A	0	0	0
B	0	0	0

Line / String Numbers

When reading guitar TAB, remember these key points:

1. A "0" on a line means the string is played open — strummed without pressing any fret.
2. Any number other than "0" shows which fret to press on that string.
3. If there's no number on a line, that string isn't played.

Chord fingerings in TAB format, along with photos, for all the chords in this book can be found in the **Appendix (page 127)**.

Alternate Strumming Patterns

*When you're ready, you can try more advanced strumming patterns with any song. On the top right corner of page 2 for each song, you'll find a recommended pattern from the list below.

*Follow the arrows (**Down ↓, Up ↑**) for strumming-hand directions—each pattern shows one bar of music.
